DanCan Electric. Ltd. was founded in 1980. We are a full-service electrical contracting firm. We cover all aspects of electrical services. These include new construction and renovations, interior and exterior lighting, troubleshooting and repairs, fire alarm systems, electric heating and preventive maintenance. Our client base is a mixture of commercial, industrial and residential. We offer 24 hour emergency service for all of our established clients.

Owner Leif Janichen holds the Master License for the company and has been in the electrical trade for over 40 years.

The staff and management of DanCan Electric Ltd. take very seriously the trust our clients place with us. DanCan Electric Ltd. prides itself on having long-term employees. Our employees are professional, dedicated and qualified and the company's commitment to its employees is in turn reciprocated by their commitment to the company.

DanCan Electric Ltd. is also proud of its involvement in the community and organizations within our community. As part of our commitment to the highest level of service, we value the advice and experience of our peers.

With more than 30 years in business, we have learned that integrity and respect not only for our clients but for our staff and suppliers is key to our continued success.

Well known across Ottawa for our professionalism and attention to detail, DanCan Electric Ltd. is *your right connection to dependable service.*
